

## Priority Goal 4 and Associated Strategies

**Area for improvement and supporting data:**

Safe and Caring Schools: Put into place the necessary resources and systems to ensure a safe environment that will support student learning and a caring climate.

<b>School Goal 4:</b>	Strengthen current safety procedures and implement accountability throughout the school to ensure the safety of each student and staff.
<b>Supports this district goal:</b>	Safe and Caring Schools--Provide necessary resources to ensure a safe school campus through staff training and practice of emergency drills and procedures, school sign-in and sign out procedures, security
<b>Target:</b>	Improve and strengthen safety procedures through monitoring and increased accountability.
<b>Indicator:</b>	Demonstrated growth on safe school survey and teaching working conditions survey
<b>Milestone date:</b>	

### Goal 4 Improvement Strategies – Identify research-based strategies whenever possible.

Plan/Do

<b>Plan/Do</b>	<b>Strategy 1:</b>	<b>Strategy:</b> Strengthen building emergency procedures		
		<b>Action steps:</b>		
		1. Practice lockdown procedures 4 times per year		5. Strengthen partnerships with emergency services
		2. Practice unannounced monthly fire drills		6. Reassess procedures for visitors/check-in and check-out
		3. Perform monthly building inspections		7. Distribute crisis plan and evacuation plan to staff
	4. Attain 95% or above on all building inspections		8. Check drivers license to pick children up if individual is	
	<b>Strategy 2:</b>	<b>Strategy:</b> Provide staff development on school safety and emergency procedures		
		<b>Action steps:</b>		
		1. Administer CPR/First Aid training to staff		5 Train staff on DCD regulations and sanitation regulations
		2. All staff attends yearly NCI Training		6. Monthly reminders on school blog about safety and
		3. Train staff for lockdowns		7
	4. Train staff about bloodborne pathogens		8.	
<b>Strategy 3:</b>	<b>Strategy:</b> Implement policies and procedures to protect classroom instruction and minimize disruptions			
	<b>Action steps:</b>			
	1. Increase security of drop off/pick-up procedures		5.	
	2. Decrease interruptions during instruction time		6.	
	3. Increase administrative visibility		7.	
	4		8.	

Plan/Do

**How will we fund these strategies?**

<b>Funding source 1:</b>	Local district funds	<b>Funding amount:</b>	\$500
<b>Funding source 2:</b>	Select a funding source	<b>Funding amount:</b>	
<b>Funding source 3:</b>	Select a funding source	<b>Funding amount:</b>	
<b>Funding source 4:</b>	Select a funding source	<b>Funding amount:</b>	
<b>Funding source 5:</b>	Select a funding source	<b>Funding amount:</b>	
		<b>Total initiative funding:</b>	<b>\$500</b>

**Review frequency:** Quarterly

**Assigned implementation team:**

Check

**What data will be used to determine whether the strategies were deployed with fidelity?**

Stakeholder input, TWCS, Safe Schools Survey, School Improvement Team collaboration, school blog, school newsletters, classroom newsletters, school website, alert now messages

**How will you determine whether the strategies led to progress toward the goal? (Include formative, benchmark, and summative data as appropriate.)**

TWCS, Safe schools survey, sanitation ratings, fire inspections and building inspections.

**What does data show regarding the results of the implemented strategies?**

Based upon identified results, should/how should strategies be changed?

Act
